# WorBots Go To Competition

Miami Valley Competition 2019

WorBots have officially finished bag and tag as of February 19th, meaning that they completed this year's competition bot! On March 8th and 9th, The WorBots will be at the Miami Valley Regional at the Nutter Center in Dayton, Ohio. There will be just about 60 teams there competing! While that is going on, we will have two other events going on. We will have our Chairman's group, Myla Demko and Abigail Torres, go and present this years chairman's video along with the FIRST Dean's list nomination, Abigail Torres. Both groups will be presenting on Friday afternoon! Let's go WorBots!
